

Echinacea Plus

Feeding Instructions

Feed whenever a stressed immune system is evident.

Horses & Ponies

	ml per day
Loading rate (7-10 days)	40-60
Maintenance	15-30

If the problem persists consult your veterinary surgeon. A 1L bottle fed at 30ml per day will last approx. 33 days.

Maintenance levels may be adjusted to suit the individual and are not necessarily related to bodyweight.
