

NAF Off Citronella Wrist Band

The unique design of this NAF Off Wrist Band enables the citronella oil to be contained in a special compartment of the wrist band making it highly durable, waterproof and convenient to use.

Directions for use

Perfect for both indoor and outdoor activities. The wrist band can be worn while riding or around the yard, wear it on the wrist or the ankle.

Level of fragrance

Puncture any of the five holes on the top part of the wrist band for desired levels of fragrance.

Precautions

For External Use Only. Do not swallow. Follow and read label instructions before use. In case of an allergic reaction, stop use immediately. Avoid contact of eyes and mouth with citronella oil. If contact occurs, flush thoroughly with water. Consult a doctor if irritation persists. Keep out of reach of young children.

Contains:

Citronella oil

Other material:

Cymene ethylene silicone
