

Directions for use: Apply to the hoof daily, or more frequently if required, with a brush or cloth. NAF recommend a small 24hr test patch prior to initial use. Store in a dry place. Replace lid after use. For external use only. For animal use only.

Water based cream, containing Eucalyptus Oil, designed to hydrate the hoof without creating a seal or barrier around the outer wall, allowing it to breathe and sustain the moisture balance of the hoof through natural fluctuation.
