

A good quality oil to give the hoof a naturally polished look.

Directions for use: Paint carefully around the outside of a clean hoof using a clean, soft brush. Take care to apply to the top of the coronet band and around the bulbs of the heel for the best finish. NAF recommend a small patch test in an unseen area prior to initial use.

Keep container tightly closed. Store at room temperature. Keep out of reach of children. If swallowed seek medical advice.
