

For animal use only. For external use only. Replace lid after use.
Store in a cool dry place. NAF recommend a small patch test prior to initial use.

Previously sold as PROFEET Hoof Rub.

Directions for use: Massage around the coronary band to stimulate hoof growth. Apply down the hoof wall and across the sole to protect from adverse conditions and promote a natural sheen. Use two to three times a week, or daily at times of hoof stress.

A clear penetrative ointment to protect hooves from becoming brittle and prone to cracking and splitting. With omega 3 + 6 to support elasticity and suppleness of the hoof wall and sole. Fortified with traditional pine tar and eucalyptus for hoof integrity and strength.

Apply Pure Protection

HOOFF Dressing

Blend of natural oils with omega 3 + 6 to nourish the hoof wall and sole. Penetrates deep into the hoof to help protect from cracking and breaking.
