## Synthetic Tack Clean

**Directions for use:** Shake well before use. Spray directly on to tack avoiding felt areas and simply wipe clean. If cleaning heavily soiled tack wash down with water to remove excesses and allow to dry before using Synthetic Tack Clean. NAF recommend a small patch test in an unseen area prior to initial use.

**Caution:** Do not use on unsealed aniline, or untreated leather, nubuck or suede.

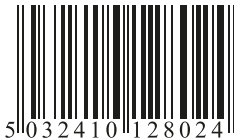

**Warning**

Flammable liquid and vapour. Harmful if swallowed. May cause damage to organs. Causes serious eye irritation.

Keep away from heat/sparks/open flames/hot surfaces. – No smoking. Store in a well-ventilated place. Keep cool. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Do not breathe vapours/spray. Store locked up.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF exposed or if you feel unwell: Call a poison centre or doctor/physician.

For external use only. Keep out of reach of children.
