

# Devil's Relief

For older horses needing support,  
or wherever comfort is an issue.

## Feeding Instructions

ml  
per day

## Horses & Ponies

Loading rate (3-5 days)	60 - 100
Maintenance	20 - 30

### Shake well before use.

Devil's Relief can be fed continually but it is not suitable for pregnant mares. Withdraw 48hrs before racing under BHA rules.

Please note this product is not recommended for competition use under FEI rules.

Maintenance levels may be adjusted to suit the individual and are not necessarily related to bodyweight.

A 1 L bottle fed at 20 ml per day will last approximately 50 days.
