

Event Grease

Ease over the obstacles with the barrier protection of Event Grease.

Directions for use

Apply NAF Event Grease by hand to legs and chest before going cross country. Re-apply as necessary. Wash hands after use.

As with all new products, NAF recommend a small 24hr patch test prior to initial use.

Key ingredients

A combination of highly water repellent oils and waxes with Lanolin and Glycerine.

Contains: Benzyl Alcohol.

For external use only. For animal use only. Replace lid after use. Store in a cool, dry place. Keep out of reach of children. If swallowed, seek medical advice.
